GO/2026/0171

Dear Parent / Guardian,

Term 3 Weighted Assessment 2026 for Secondary 1

This letter informs you of the schedule of your child/ward's weighted assessments for this term. Your child/ward should practise sound time management and put in consistent effort to do their best for their studies.

The weighted assessment schedule for Term 3 is shown in **Annex A**.

The topics tested, duration and format of WA3 can be found in **Annex B**.

Please note that there will be **no** make-up assessments for those who miss the scheduled WAs. If unwell, students **must** submit a valid medical certificate to be excused. A parent's letter will **not** be accepted. Kindly inform us should there are any unavoidable circumstances.

- Students who are unable to sit for the full duration of the WA with valid reasons will be given a VR (Valid Reason) grade for the WA. They will still be given the opportunity to work on the WA paper at another time for teacher feedback to be provided, but their grade will be recorded as VR.
- For students involved in official school events / external competitions, they must consult their teachers and ensure that they continue to turn up for allocated WA timeslots if they are able to (e.g. students return to school from competition in time for the WA).

Teachers will decide if students are allowed to use Artificial Intelligence (AI) for assessments/assignments. In the event that AI is permitted for the assessment, students need to **declare** their use of AI and **describe clearly how AI tools were used** for the assessment, using the student declaration form provided.

Students who do not declare or describe their use of AI adequately will be subject to disciplinary action, which include getting 0 marks for the assessment. This act will be treated similarly to plagiarism and the school reserves the right to mete out additional disciplinary consequences where appropriate.

Thank you for the continued partnership, in ensuring your child/ward's best preparation.

Yours sincerely,

Mr Leroy Sng
