Dear Parents / Guardians,

## **MESSAGE BY PRINCIPAL FOR TERM 2 2026**

There is an African proverb '*It takes a village to raise a child*'.

Looking back to Term One, I am heartened to witness the positive involvement of parents in their children's education in Yuhua Secondary. Over 400 parents attended the cohort levels' Parent-Teacher Meetings to familiarise themselves with the Personalised Digital Learning Programme and eligibility criteria for post-secondary institutions and interacted with their child's Form Teachers. The session materials can be accessed [here](#).

I am also very touched to meet with a group of parents who contribute to the school by giving their time, talent and treasure! In the lead up to Chinese New Year, our Parent Support Group (PSG) organised a mini calligraphy activity and heartwarming lo-hei for attendees of a Parenting Talk, allowing parents and children to bond over the traditions. A PSG member brought pussy willow to the school and creatively arranged them, adding to the festive decorations in the school. A parent approached me to donate his large collection of lego sets, so that they can benefit more students through learning and play.

I encourage parents to continue to participate fully in your children's lives in school, as we partner together with the spirit of 'Care, Connect, Contribute' towards flourishing Yuhuans. Consider joining the [PSG](#), it's a good opportunity to meet fellow parents who can share experiences on forming relationships with your children and help them in their education.

Wishing everyone a meaningful time with your children during this March school holidays and to our Muslim parents, I wish you Selamat Hari Raya Aidilfitri.

As we look forward to Term 2, key information as follows for your attention:

## **1 Nurturing Flourishing Yuhuans Through Student Development**

### **1.1 Values of the Term**

At Yuhua, we strive to nurture our students in both performance and moral character by instilling our school values. This term, our Values of the Term are **Curiosity & Responsibility**. We aim to inspire all Yuhuans to remain curious about the world around them and take responsibility for themselves, others, and the community.

We encourage our students to demonstrate these values in their daily lives and seek your support in reinforcing them at home. Below are some ways in which your child can embody these values:

- **Curiosity** - *Exploring their environment, conducting research and discovering new information, asking questions, investigating concepts, seeking meaning, connecting with people and nature, and embracing new learning experiences.*
- **Responsibility** –
  - **Personal:** *Being prepared for lessons with the necessary learning materials, attending classes on time, managing deadlines, and taking care of their safety and well-being.*
  - **Social:** *Contributing actively in class and CCA, fulfilling assigned duties in a team, respecting school property, and caring for the safety and well-being of others.*
