26 June 2026

Ref No.: GO/2026/0143

Dear Parents/Guardians,

MESSAGE BY PRINCIPAL FOR START OF TERM 3 2026

I trust the year has been purposeful and you managed to spend time bonding with your child during the June holidays.

At the start of Term 2, I introduced the school's 2026 Rally Theme of *S.C.H.O.O.L. - Next Level* with the students. **S.C.H.O.O.L.** stands for **Several Cheerful Hours Of Our Lives** and it represents our vision of providing every Yuhuan with positive educational experiences during the 7 to 10 hours they spend each school day in Yuhua Secondary. These experiences include engaging lessons, fun class/cohort activities and spending time with like-minded friends at CCA and recess. Check out the [memorable highlights](#) of your child's experience in Semester 1, including the school's historic 2nd placing at the National School Games' B Division Boys' Volleyball Tournament. I would also like to thank you for attending the Parent-Teacher meeting in May, listening to your child share his/her "My Yuhua Story" presentation and giving your affirmation.

I look forward to our continuous partnership to create a conducive home and school environment that enables your child to belong and flourish. Below, you will find key Term 3 information for your attention:

1 Nurturing Flourishing Yuhuans Through Student Development

1.1 Value of the Term: Respect

For Term 3, our focus is on the value of **Respect** - showing regard for people, property, the environment and oneself.

Here are some ways you can encourage your child/ward to practise respect:

- **Personal:** Demonstrating self-respect by dressing neatly, speaking courteously and behaving appropriately. This also includes taking pride in personal grooming and showing responsibility through regular attendance and punctuality.
- **Social:** Showing respect for others by being considerate of how one's words and actions may affect the feelings, well-being and environment of those around them.

Together, let's nurture a culture of respect in every aspect of their lives.

1.2 MOE's Comprehensive Action Review Against Bullying

At Yuhua Secondary School we believe every Yuhuan has the right to learn in a safe, respectful, and caring environment. All forms of hurtful behaviour (including bullying) —whether physical, verbal, social, or online — are not tolerated in our school. As a school, we expect our students to treat one another with kindness and respect, and we are committed to working closely with parents to nurture these values in our children.

As part of the school's student management approach,

- a. School rules and values are communicated to students regularly, so they understand what is expected of them.
- b. We actively encourage students to look out for one another, speak up against inappropriate behaviours, and seek help from trusted adults when incidents and offences occur.
- c. When hurtful behaviours occur, we take timely action. Our approach pairs appropriate disciplinary measures with education and support to help students learn from mistakes, make amends, and grow in character. Whether your child is the affected student or the one who has caused harm, we will engage you, enlist your help to monitor your child's wellbeing, and also ensure appropriate support for your child.

You may refer to the school's anti-bullying policy in the school's student handbook which can be accessed at <https://go.gov.sg/yhsscarb>

We value our parents as partners in your child's education. Parental involvement is crucial in shaping children's character and behaviour. Parents are encouraged to role-model positive behaviours and language, use 'teachable moments' in their daily interactions with their child to explain why certain behaviours are inappropriate and monitor your child's online and offline interactions.

We seek your support to reinforce values of respect and empathy at home, guide your child towards responsible and compassionate behaviours, and encourage your child to report concerns/incidents to their peer support leaders, form teachers, Year Heads or any other trusted adult in the school.

Together, we can create a safe, caring and enabling school environment where every child feels they belong and can thrive.
